CHICKS THAT TRIP

Dear (*Insert Company Name*),

Top performers do not leave a company because of money; they leave because they do not feel recognized and valued. As a business owner, implementing an incentive program tells your sales team that you recognize their hard work and achievements, that you value them and that you want to reward their efforts.

We at Chicks That Trip understand the challenges you are facing and we specialize in assisting business owners like you to implement travel incentive programs for their sales teams. We do all of the work, so you don't have to!

Our customized travel offerings include:

- ❖ **Arranging 2-3 day business meetings at sea**, aboard some of the best cruise lines available
- ❖ **Developing travel incentive programs for your top producers** including all-inclusive packages to top resorts, cruise packages, and more
- ❖ **Wow your top clients** by providing them with 2-3 day all-expense paid travel packages to major sporting events including golf tournaments, and more

We offer expert care in planning all domestic and international trips for you, your employees and your clients.

These are just a few examples of what we can do to help you increase your bottom-line profitability by providing attractive incentives for your sales teams and your high profile clients. Business as usual is not safe during these challenging economic times and running your business successfully requires creativity. We are here to support you and to provide your optimal travel experience.

We look forward to doing business with you, and we will contact you to discuss how we may support your travel needs. Should you have an immediate need, please contact me directly at the number listed below.

Sincerely,

Chanté Owens
